Mayor Rod Brown
Village of Millbrook
P.O. Box 349
35 Merritt Avenue
Millbrook, NY 12545

Subject: Water Plant Generator
Recommendation for Award

Dear Mayor Brown:

On April 27, 2017 the Village of Millbrook received bids for the purchase of a 150KW generator for the purpose of serving the Village water plant. Delaware Engineering, D.P.C. has reviewed the bid results for conformance with the project specifications. Attached is a complete copy of the bid results for the generator.

The apparent low bidder was Kinsley Power Systems with a Kohler Generator for \$36,485.00.

Three bids were received for the generator. Bids were found to be in conformance with the project specifications and below the Engineer's cost estimate. Delaware Engineering, D.P.C. is recommending that the Village of Millbrook award to the apparent low bidder, Kinsley Power Systems.

If you have any questions regarding the bid results, bidding process or any other project issues, please feel free to contact me at (518) 452-1290. We look forward to moving ahead on these very important projects.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ablen Amrod', is written over a light blue horizontal line.

Ablen Amrod, P.E.
Project Manager

VILLAGE OF MILLBROOK
WATER PLANT GENERATOR
