## A message from the Mayor

### Tentative Notice of Public Hearing

Official Public Hearing notification will be posted at the appropriate location, date and time but I just wanted to give you a heads up.

Given the COVID pandemic there's been a Legal Alert from attorneys Keane&Beane on conducting a public hearing during Governor Cuomo's "Stay at Home" order.

Although not all members of the board will be physically present – videoconferencing in some cases – there will be a **Public Hearing meeting opened on April 15, 2020 at 6:30pm to present the 2020-2021 Village budget.** That meeting will be broadcast live and available VOD on the village website 4/16/2020. I am told that the portion that is videoconference – thru ZOOM - will also be available to get on the website (this has not been tested or confirmed to work) but a transcript of discussion should be available on the website – possibly by audio. **I will keep the public hearing opened, adjourned day to day, until 4/20/2020. During those 4 days the public can ask questions via an email – [villageofmillbrook@gmail.com](mailto:villageofmillbrook@gmail.com) – these questions will be read and answered during the following evenings meeting in addition to a reply to the email. Questions that are anonymous will not be considered in order to ensure the seriousness of question and the possible need for other communication. Questions/comments received after 4/20/2020 meeting will be answered but the Public Hearing will be closed that evening and no action from question can be entertained.**

Thank you in this unusual time – we will get thru this – stay strong and know that I and the board are doing the best that we can do given the circumstances.

Thank you – Mayor Rod Brown
