A Message from the Mayor

Happy New Year to all!

Some of the things on my mind...

The new water filtration system is nearing completion and I expect this to be the last bill you receive with the "water advisory" flyer included.

I have begun work with the other board members to determine who should fill my open trustee position. If you are interested, please submit a letter as described above.

We are participating in DC's Police Reform & Modernization Collaborative and will be holding panel discussions this month with interested residents. If you would like to be involved, please contact the office ASAP.
