WHEREAS, the following Local Law was introduced as Proposed Local Law No. 3 of 2022, by Resolution adopted at a regular meeting of the Village Board held on October 12<sup>th</sup>, 2022; and

WHEREAS, a properly noticed public hearing was held before the Village Board during the meeting on November 9, 2022, on Local Law No. 3 of 2022; and

WHEREAS, the Village Board determined the enactment of this Local Law will have no adverse environmental impacts and issued a Negative Declaration pursuant to the New York State Environmental Quality Review Act; and

BE IT ENACTED by the Board of Trustees of the Village of Millbrook as follows:

Section 1. Legislative intent: The novel coronavirus (Covid-19) pandemic has been a public health emergency throughout the United States, and the world, since early in 2020. Several local businesses, in particular restaurants, have suffered tremendously since that time as a result of the executive orders prohibiting public gatherings and requiring social distancing as well as the staff shortages as a result of employees becoming infected with the disease or having to quarantine as

the result of exposure. The Village Board is aware that some restaurants do not have the ability to offer outdoor dining on premises and that in some cases the adjacent public sidewalk is the only available space to offer outdoor dining. The Village Board has determined it is in the best interest of the Village and its residents to allow restaurants located in the Village to provide outdoor dining on the adjacent Village sidewalk and to impose regulations to ensure the safety, attractiveness, and convenience of such Village sidewalks is maintained for diners and pedestrians.
